The resources provided to Terrebonne Council on Aging, Inc. (TCOA) by the Federal, State, and local government allows the agency to serve only a fraction of its service area's 18,000+ citizens age 60 and older.

The following regulations were used by TCOA to develop selection criteria for its services:

Older Americans Act of 1965, as amended in the 2006 Reauthorization.

Louisiana Governor's Office of Elderly Affairs' (*GOEA*) Policy Manual, Subchapter E, Section 1215(A), (B), and (C).

## TCOA's Personal Care Program Policy Client Selection Criteria:

No older individual is entitled to services by virtue of age alone.

- ♦ GOEA's Comprehensive Assessment Form (used by all the Councils on Aging in the State of Louisiana) and TCOA's Participant Service Determination Form is used to evaluate all potential participants.
- The completed assessment form is then submit ted to the TCOA Executive Director or designee for review and evaluation.
- Priority will be given to persons 60 and older, with the greatest economic and/or social need, with particular attention to low-income minority and Native American individuals.
- Participants with the highest score on the assessment form will be given priority in delivery of services. Clients may be placed on a waiting list until openings become available.

The Personal Care Program is administered as a "last resort" service. As a "last resort" service the Personal Care services will be placed on hold during

a clients' receiving of any skilled services through an active Home Health Episode of Care. However, as soon as the episode has concluded, TCOA funded services will be coordinated to begin so there is not a lapse in service.
