From the desk of the Executive Director:

It was reported by members of the media that the Social Security Administration’s (SSA) Office in Houma would be closing. These reports caused a lot of confusion and anxiety to many, especially to seniors.

TCOA contacted the SSA’s Houma Office, and spoke with personnel directly. TCOA was assured that the **SSA Office in Houma is NOT CLOSING**. It is the Disability Appeal’s Office, located in the SSA building, that is being closed.
