## TCOA Board of Director Spotlight

### MR. LARRY DAIGLE

Mr. Larry Daigle joined TCOA as a Board Member in 2021. He is currently on the Budget and Finance Committee and the Board Development/Public Relations Committee. Mr. Daigle began his prosperous career as a youngster raising cash crops with his cousin Jerry Caro. He started working for Caro Produce six months after it was opened and continued working there for 39 years as the Senior Vice President and 9 years as President of Prime Source and Southland Distribution. His job duties began at 4AM. He would receive phone calls from all points of the globe. He worked very closely with his suppliers and truckers. He would go to California, Texas, and Florida as often as he could to make contacts and keep in touch with those suppliers. He felt that personal touch was very crucial in being successful. Other virtues that made them successful were the quality of their products and service, they always paid their bills on time and they were just two nice guys to do business with. When Caro sold their company in 1999, Mr. Larry's adventures didn't end. He had met Mr. Anthony Rouse in 1960 while working for Caro and the two became fast friends. Upon the closing of Caro, Mr. Rouse asked Mr. Larry to come work for him as his Local Produce Buyer where he worked for 18 years until retirement. Mr. Larry Daigle has also been a SLECA member since 1965 and was elected to the Board of Directors in 2004 where he is currently Secretary. He also served as advisor to Bishop Boudreaux on the Pastoral Council and received the Bishop's Award in 1988 for outstanding service to the parish.
