**Client Spotlight**  
**Mr. Mark Portier**

Mr. Mark Portier has been a client at our Schriever Senior Center for over 18 years. He brings happiness, laughter, and joy to the Center with his great smile. He always has a funny joke to tell and enjoys showing off his beautiful wife with a dance. Mr. Mark helps daily by passing out meals to the clients. He is always there to help when and where it is needed.

Mr. Mark is retired from the oil field and enjoys playing cards and doing yard work.

**Employee Spotlight**  
**Mr. Raymond Ruffin**

Mr. Raymond has been a driver at TCOA for over 19 years. He is very dependable and dedicated to his position. He goes above and beyond his job duties by reporting to work before his scheduled time just to ensure the parking lot is safe for his fellow employees.

His favorite part about being a driver with TCOA is meeting the new people along his route and hearing the stories they tell. He has enjoyed so many of them that he can probably write a book when he retires.

In his spare time, he enjoys fishing.

*Growing old is inevitable,  
but growing up is optional!*

## Upcoming Improvements

TCOA will begin construction on a new gated parking facility located in the empty lot next to the main office. This facility will provide safety for all employees reporting to work during early morning and late evening hours with lights and a locked gate. It also will ensure protection to our vehicles from theft and vandalism. Construction will begin sometime in the next 30 days with an estimated time of 30 days until completion.

*Plans can be found in the Transportation Dept.*
