From the desk of the Executive Director:

As the completion of the construction/renovations to the East Side Senior Center (114 Rome Commercial Place) grows near, we are busy preparing for the new center’s operations. *All hands are on deck* to ensure everything from staffing, equipment, furniture and fixtures, activities, etc., are all in place by the target opening date of July 2025. All prospective participants must have a completed “Needs Assessment” interview prior to attending the Center. If you are interested in participating at the East Side Senior Center, please call **985-868-8411, ext. 231**. A TCOA staff will reach back to schedule a visit with you to conduct the required assessment.
