From the Desk of the Executive Director

TCOA staff and volunteers from b1Bank, TGMC, and People's Health, spent several days in April assisting in the Bayou River District Senior Games. The Games concluded with an Awards Banquet on May 5th, hosted by Ms. Angele Authement and her staff at Assumption Council on Aging.

Please visit our website: www.terrebonnecoa.org to view all the photos taken during the different games/events, including photos of Arts and Crafts projects, submitted by participants which were displayed and judged at the Banquet.

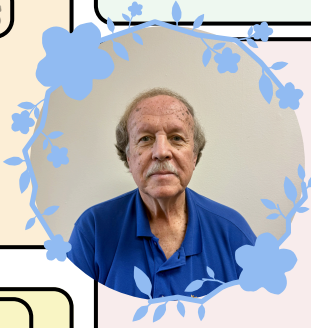

We appreciate everyone's efforts in making this year's Senior Games a success!

Employee Spotlight:

Keith Pointiff

Keith Pointiff has been part of the TCOA team since January 2023, serving as a driver in the Nutrition Department. Before joining TCOA, he worked as a life insurance agent and enjoyed freshwater boat fishing with his father—one of his favorite pastimes. Keith describes his work style as focused and says that while he was once very shy, he has grown into a charismatic person who truly enjoys the opportunity to serve seniors through his role each day.

Service Spotlight: Outreach

Terrebonne Council on Aging's Outreach program helps identify seniors age 60 and older who may benefit from available services and community resources. Staff connect with elders and their caregivers to provide information about programs such as nutrition, transportation, in-home services, and wellness support. Outreach ensures seniors understand what types of assistance are available through TCOA and other local providers. The program promotes independence, safety, and quality of life.

Client Spotlight: Bernard Saunders

Mr. Saunders has been attending Shady Acres Senior Center for about three years after first learning about the programs through his wife, who participated in art, sewing, and other activities. Her involvement encouraged him to get connected as well. He enjoys motorcycling and previously served in law enforcement, bringing a strong sense of dedication and community with him. Today, he continues to stay active at the center and enjoys the opportunity to participate in programs and socialize with others.
